Sustainability & Innovation

TRAVEL **WITH PURPOSE** 

**"A part of
our
contribution
to sustainability"**

For the first time in the sector, our hotel houses an on-site hydroponic farm, which is used to supply the first fully sustainable Michelin star restaurant that is housed inside the hotel.

All the products that are served in the restaurant come from this fish farm and the vertical organic garden. GASTROPONIA is our innovative proposal for a sustainable gastronomy.
